[Reports were made on civil service reform by the Retrenchment Committee, Senate (Y4.R31<sup>1</sup>:) in the 28th Congress, and by the Retrenchment Joint Select Committee (Y4.R31<sup>2</sup>:) in the 39th and 40th Congresses. The 41st Congress passed an act authorizing an Advisory Board to conduct inquiries and to establish regulations for the civil service. This act was approved Mar. 3, 1871, and under it reports were made in 1871, 1873, and 1874. On Aug. 5, 1873, the name Advisory Board was changed to Civil Service Commission. In 1874 the appropriation for its continuance was withheld. The present Civil Service Commission was organized by act approved Jan. 16, 1883.]

## DC. DISTRICT OF COLUMBIA

- [1802-71, corporation of City of Washington, established by act of May 3, 1802.
- 1871-74, 1st municipal government of District of Columbia, established by act of Feb. 21, 1871.
- 1874-78, 2d municipal government of District of Columbia (temporary commission), established by act of June 20, 1874.
- 1878-date, permanent commission, established by act of June 11, 1878.
- The relations between the United States Government and the District of Columbia are of such a unique nature that in considering the publications of the District of Columbia government and its various branches it is difficult to decide which are and which are not United States Government publications. In compiling the following list, publications of the corporation of the City of Washington during the period 1802-71 have been omitted. Publications issued by bodies which existed as a part of the
