

## A11. FIBER INVESTIGATIONS OFFICE

[Fiber investigations were begun by the Division of Statistics in 1889, and in 1890 a Section of Fiber Investigations was created in the Division. Jan. 1, 1891, the section was made independent, under the name Office of Fiber Investigations, and so continued until June 30, 1898, when its work was assigned to the Division of Botany. See, for historical sketch of office, Yearbook, 1897 (A1.10:897).]
