## A21. PUBLICATIONS DIVISION

A Division of Records and Editing was organized July 1, 1890, under act making appropriations for Department of Agriculture, 1891, approved July 14, 1890. This division was absorbed and succeeded by the Division of Publications, which was established July 1, 1895, under the appropriations act for 1896, approved Mar. 2, 1895. See, for information concerning division, Historical sketch of Department of Agriculture (A21.3:3<sup>1-2</sup>).]

## A21.1: Annual reports

(date) [1890-1909, in annual reports of Agriculture Department (A1.1:), and issued separately also.]

Prior to the establishment of the division, reports of the editor, 1868-71, appeared in annual reports of Agriculture Department (A1.1:), but were not issued separately. Between 1872 and 1889, there were no reports except a report of the Secretary relative to establishment and work of the division, which appeared in annual report of Agriculture Department, 1889 (A1.1:889), and was also issued separately.]

## A21.2: General publications

Ag8 Agriculture Department. Department of Agriculture and its work; by George William Hill. Aug. 6, 1898. [See, for further information concerning the history, work, and organization of the Department, Yearbook, 1897 (A1.10:897), and the various editions under A21.3:3 and A21.4:]
