T33. REVENUE-CUTTER SERVICE

[Organized under act of Aug. 4, 1790 (Stat. L. v. 1, p. 175). There being at that time no Navy Department, this service was, as a matter of convenience in the discharge of public business, attached to the Treasury Department, where it has since remained, although the act of Mar. 2, 1799, after the establishment of the Navy Department, provided that "the revenue-cutters shall, whenever the President so directs, cooperate with the Navy." Formerly known also as Revenue-Marine Service.]

T33.1: Annual reports

(date) [From 1843 to 1848, a report was made annually by the captain of the Revenue Marine Service. As far as is known these appeared in the Congressional set only, as follows:

1843 [441-45]	1846 [499-17]
1844 [463-22]	1847 [516-30]
1845 [482-39]	1848 [543-52]

A summary of the work of the Revenue-Cutter Service is usually included each year in the personal report of the Secretary of the Treasury. Certain signed reports for fiscal year have also been issued by the Revenue-Cutter Service as shown below.]
