† This Checklist ends with the publications of the calendar year 1909. The publication of the Daily consular and trade reports was continued up to and including no. 3722, Feb. 28, 1910. After this a weekly publication was substituted for a time; see footnote for C10.14: Beginning with the number for July 5, 1910, the daily issues were resumed, the first 50 numbers being designated, e. g., New series, v. 1, no. 1, serial no. 1. The 51st number, for Sept. 1, 1910, drops the above designation, substituting therefor the words "13th year, no. 51." Beginning with Jan. 3, 1911, the publication reads "14th year, no. 1." These changes have necessitated new classes for the publications issued since July 5, 1910, as follows:

C10.5²: Daily consular and trade reports [series July 5, 1910-]

(date [The superior numbers following dates in book numbers are the "serial nos." or the
and "nos." which appear on the publications. The call numbers are therefore as fol-
nos.) lows: For issues from July 5-Aug. 31, 1910, C10.5²:910¹⁻⁶⁰; from Sept. 1-Dec. 31, 1910,

† This Checklist ends with the publications of the calendar year 1909. The publication of the Daily consular and trade reports was continued up to and including no. 3722, Feb. 28, 1910. After this a weekly publication was substituted for a time; see footnote for C10.14: Beginning with the number for July 5, 1910, the daily issues were resumed, the first 50 numbers being designated, e. g., New series, v. 1, no. 1, serial no. 1. The 51st number, for Sept. 1, 1910, drops the above designation, substituting therefor the words "13th year, no. 51." Beginning with Jan. 3, 1911, the publication reads "14th year, no. 1." These changes have necessitated new classes for the publications issued since July 5, 1910, as follows:

C10.5²: Daily consular and trade reports [series July 5, 1910-]

(date and nos.) [The superior numbers following dates in book numbers are the "serial nos." or the "nos." which appear on the publications. The call numbers are therefore as follows: For issues from July 5-Aug. 31, 1910, C10.5²:910¹⁻⁵⁰; from Sept. 1-Dec. 31, 1910, C10.5²:910⁵¹⁻¹⁰²; and beginning with Jan. 3, 1911, C10.5²:911¹⁻⁷.]
