**GS. GENERAL SUPPLY COMMITTEE**

[Created by Executive order 1071, May 13, 1909, in order to more effectively carry out the spirit of the act approved Jan. 27, 1894 (Stat. L. v. 28, p. 33). It was composed of one representative from each of the 9 Executive Departments and the Government Printing Office, Interstate Commerce Commission, Smithsonian Institution, Superintendent of State, War, and Navy Building, and the government of the District of Columbia. By Executive order 1088, June 16, 1909, the government of the District of Columbia was excluded. The General Supply Committee as thus organized was in active operation up to the close of the fiscal year 1910.

By sec. 4 of the legislative, executive, and judicial appropriation act of June 17, 1910 (Stat. L. v. 36, pt. 1, p. 531) the General Supply Committee was made a statutory body under the direction of the Secretary of the Treasury. The effect of this section was to abolish the General Supply Committee as organized under the Executive order. *See, for information concerning the new committee, footnote for T45.]*
