I 18. GEOLOGICAL AND GEOGRAPHICAL SURVEY OF THE TERRITORIES (Hayden)

[This survey, under the direction of Dr. F. V. Hayden, originated in an appropriation in 1867 for the geological survey of Nebraska, under the direction of the commissioner of the General Land Office. In 1869, it was placed under the direction of the Secretary of the Interior. Appropriations were continued annually until 1879. It was known as the Geological Survey of the Territories from 1867 to 1872, after which Geographical was included in the name, as above. The Geological Survey (I 19.), at its organization, superseded this and the various other surveys.]
